

ERRATA FOR DOCTORAL THESIS

MODULATING THE ACTIVITY OF OGG1 USING SMALL MOLECULES TO TARGET THE OXIDATIVE DNA DAMAGE RESPONSE IN CANCER AND INFLAMMATION

Bishoy M. F. Hanna
Department of Oncology-Pathology
Karolinska Institutet, 2021
ISBN 978-91-8016-305-7

Error on page 22, lines 9-10:

.... nucleotide gap flanked by 5'-phosphate and a 3'-phospho- α,β -unsaturated aldehyde (3' PUA). The 3'-phosphate group of 3'-PUA is removed by the phosphatase activity

Correction:

.... nucleotide gap flanked by 5'-phosphate and 3'-phosphate groups. The 3'-phosphate group is removed by the phosphatase activity
