

Erratum

Thesis for doctoral degree, title:

Dihydroorotate Dehydrogenase – New Insights Into an Old Target

By

Gergana Popova

Correction: In Paper I of the thesis, the publisher placed the wrong cell cycle distribution plot for figure 6d. The error is in the plots for U2OS, MV411, and HNDF cell lines with the following treatments:

- DMSO treatment for 72 h followed by additional DMSO treatment for 48 h;
- HZ05 1 μ M treatment for 72 h followed by additional treatment with DMSO for 48 h.

The correct figure should be as the figure shown below. The corresponding author is in contact with the publisher for correcting the figure in the journal.

Paper I title: A DHODH inhibitor increases p53 synthesis and enhances tumor cell killing by p53 degradation blockage. Nature Communications 9, 1107 (2018).
